Running time: 51 mins 25 seconds

Some background info on the trip. Alex and Jeny have booked a car and driver to take them to a festival out in the countryside. Jeny has the idea of playing on the backseat and Alex tells the driver that they are making a blog of the day to explain why he's using it video camera!

So off we go!

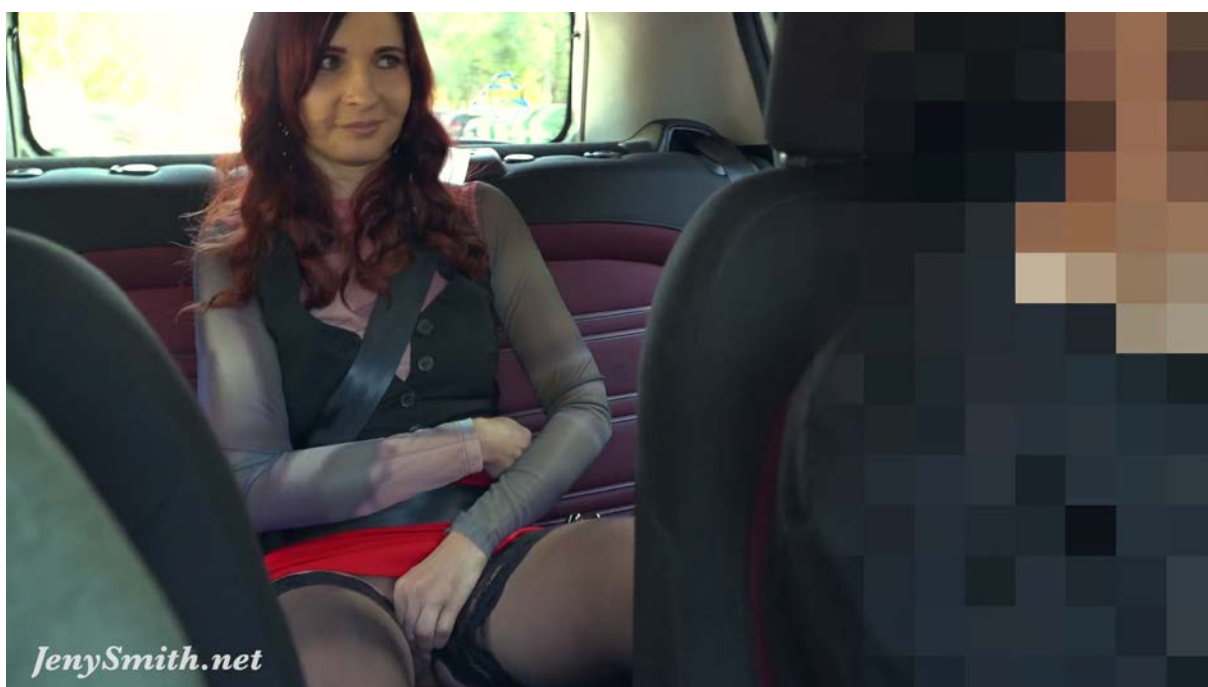

The first we see of Jeny is in the car and to give her more space she moves to the centre of the backseat and of course she clips the seat belt on.

Jeny is wearing a waistcoat over a long sleeved tshirt, a red miniskirt, black stockings and black stilettos. From the camera angle we can see that Jeny is not wearing panties (as if we thought she would be!)

Gradually she eases her skirt up to reveal her landing strip (a mere smudge of pubic hair that points the way to Jeny's hairless pussy lips). In between she can't resist stroking her beautiful pussy.

Next up Jeny manipulates her seat belt so that she can take off her waistcoat to reveal her tshirt which we have seen before in the video of Jeny learning French. It's a sheer tshirt and Alex is quick to zoom in on one of her fabulous nipples. Jeny can't resist tweaking both nipples.

All the time that she is playing with herself and sat where she was, I can't help thinking that the driver must see something of Jeny as she must be in his line of sight in his rear view mirror. but says nothing. At that point he probably couldn't see more than her head.

However things begin to develop as Jeny continues to play with her pussy. Next to be removed is her miniskirt! This is whole new level as before she could always pull her skirt down and cross her arms so that her beautiful breasts were covered.

But this is Jeny we are talking about and soon she is sitting with her legs spread wide and her perfect pussy is fully on show! Suddenly Alex asks the driver if he could stop at a grocery store as he wants to buy something. This takes Jeny completely by surprise and she moves to the seat behind the driver so he can't see her. Again this is Jeny and so she films herself whilst she was waiting for Alex to return.

As soon as they continue to drive to the festival, Jeny resumes her position in the middle seat and no sooner is she comfortable she pulls her t-shirt up to reveal her perfect breasts and erect nipples. She can't resist fondling them!

Now we get to see Jeny living up to her nickname of Queen of tease. With her legs spread wide Jeny starts to masturbate and we have a ringside seat! As she gets closer to her climax she is lost from this world, her eyes closed she is in a dreamlike state. Slowly she returns to earth and we see Jeny with a broad smile on her face. We watch as she collects her thoughts and puts her clothes back on.

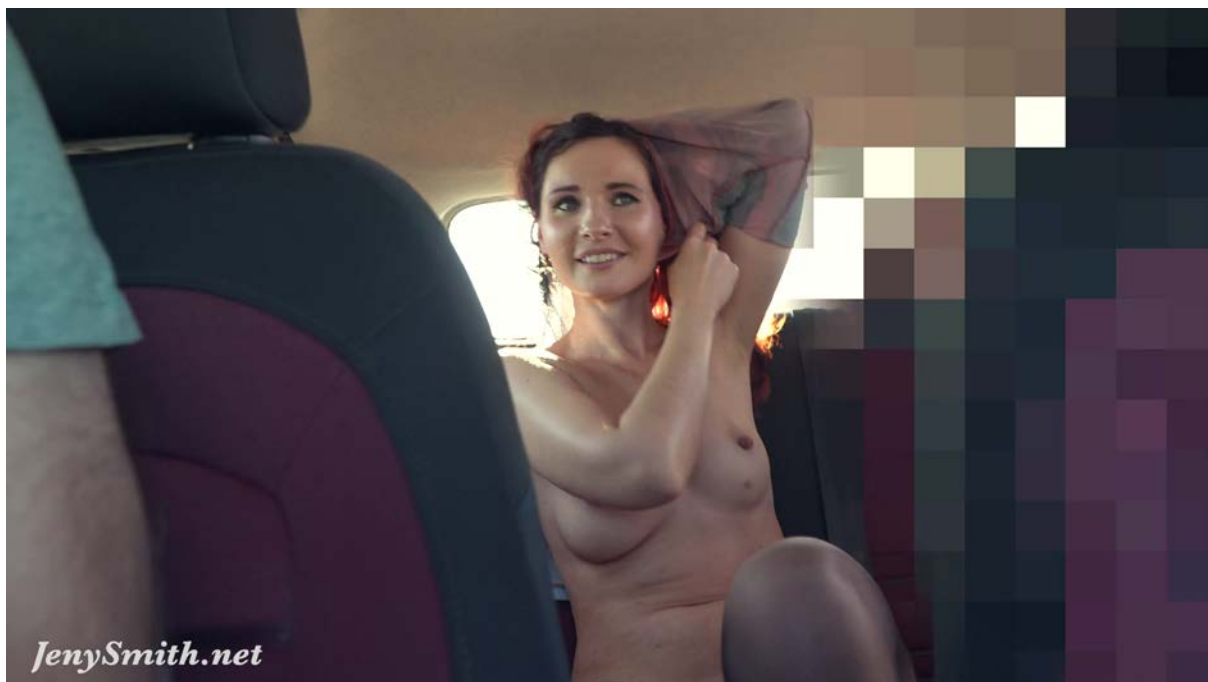

Is that the end of Jeny's adventures?

Well, what do you think?

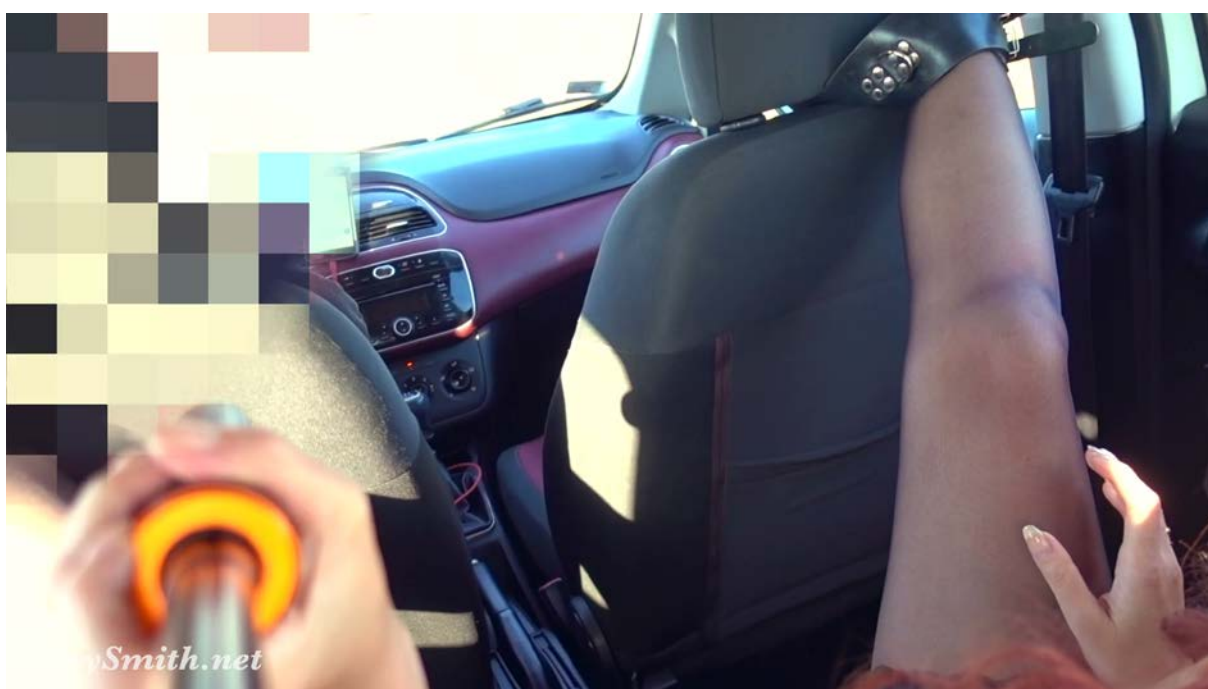

Of course it isn't!

No sooner has she dressed, Alex is telling the driver that Jeny wants to be seen naked by him. She is quick to undress. This time off comes her tshirt and despite getting her earring caught in her tshirt she is soon just in her stockings and stilettos. Needless to say she is laughing and enjoying the reaction of the driver. Jeny then asks him if he likes her body and at the same time thrusts her pussy towards him.

Jeny is now so aroused by the situation that she suggests to Alex that she should have her legs spread wide and that she has her ankle, using her leather straps that she has worn regularly, to the seat belt connections so she is unable to close her legs and her perfect pussy is exposed fully

Then Jeny surprises everyone: by telling them that she wants to go for a drive without Alex and still bound and naked on the backseat, the look on Alex's face as the car pulls away is not that of a happy man and Jeny waves good bye.

Meanwhile Jeny is enjoying the reaction of the driver, who to his credit, just thanks his lucky stars that he was the choice of drivers!

Jeny meanwhile is enjoying every minute of her new adventure. She videos herself and shows us the leather cuffs which she wears around her feet and then she gives us a close up of her pussy.

Having videoed the scene Jeny instructs the driver to park the car as she wants to go for a stroll! Jeny is a trained Psychologist and she is a good judge of people so she recognises that the driver will not harm her in any way..

So having parked up Jeny gets out of the car and playfully walks away waving good bye. The driver says that she is a crazy girl and jokes that the next time they meet it will be at the police station!!

Jeny walks back to the car but she's not finished yet! She winds down the window and bends forward and she knows how naughty she's been and needs a good spanking, Jeny tells him to ensure that both cheeks need to be spanked so that each of her cheeks are glowing bright red! He shows her a perfect hand print on her ass and with that the video is done! Poka Poka 🍑

ps: Alex was furious with Jeny for going for a drive without him but as Jeny explains, they had all of the driver's details and she just knew instinctively that she was safe with him!!
