

I thought I'd do something different with this review so I'm going to review 5 videos that all feature the same 2 people. One is obviously Jeny, and the other person is a male masseur who is given the opportunity to massage Jeny. What he doesn't know is that Jeny has booked him as the latest in a long line of victims. Will he work it out? Whatever he does he will get to massage Jeny!

So to the first review

Review for video “Just Massage”

Tags: [massage](#); Published: [4 February 2025](#)

Running time; 9 mins 14 secs

The video begins with Jeny explaining that she isn't certain what her plan is (as in so many of her videos the success is that they aren't scripted. Her feeling that something is working leads to many more successes than failures!).

As a starter, it does what it says on the tin! We are greeted by the sight of Jeny almost naked but for a pair of skimpy red panties. Her fabulous butt cheeks are being pummelled by the masseur who clearly knows his trade and works her lower body parts with a professional manner.

Thus far, the signs are good for Jeny and as such she tells the guy that she is happy to take her panties off to allow him full access. Much to Jeny's disappointment he says that everything is fine and in fact he designed a massage programme for a guy who wanted to wear shorts.

This is not what Jeny wanted to hear! She admits defeat and Jeny will have to devise another strategy for day 2. We know from previous experience that Jeny won't be beaten so easily.

They finish the way that massages normally finish, with a 5 minute recovery process and the video is done.

The next day arrives and so the video is as follows:

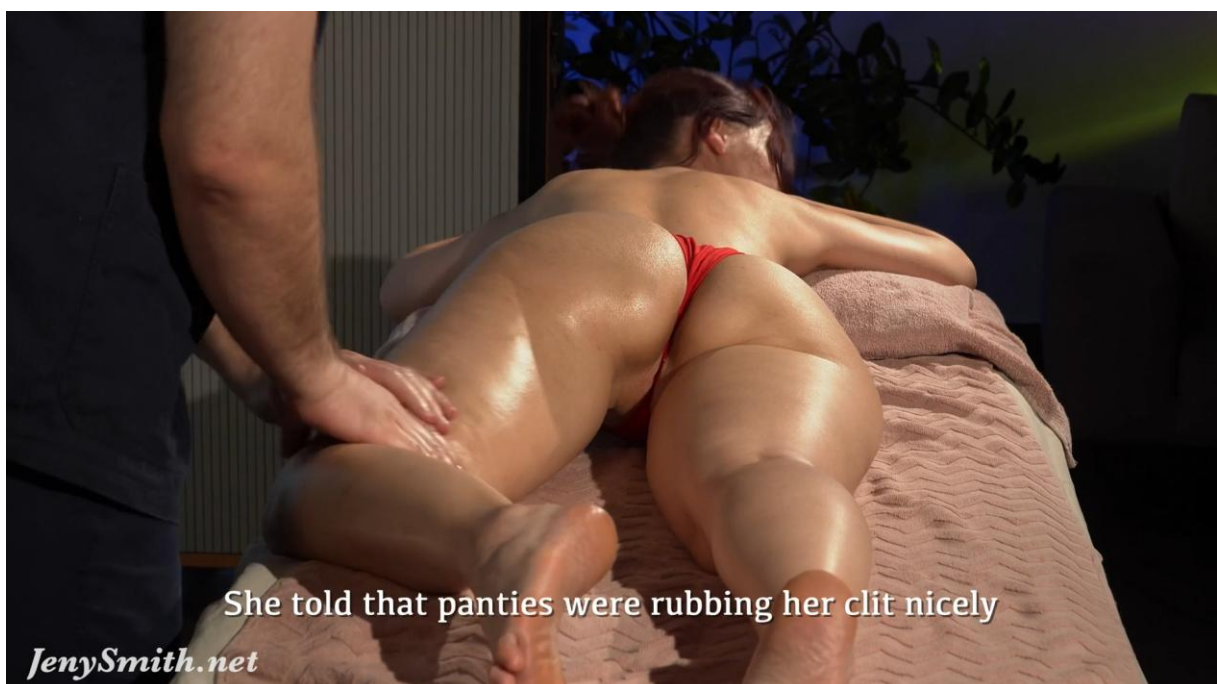

Review for video “Just Massage prt2 "Small Panties"”

Tags: [massage](#), [panties](#); Published: [7 February 2025](#)

Running time; 37 mins 10 seconds

This video starts with Jeny naked but for the “Small Panties” but worn in a way that Jeny hopes will lead to a more intimate massage.

The secret is revealed to the masseur and we will have to wait a bit longer as Jeny is lying on her front to begin her massage.

One thing that sets this sequence of massage videos apart is the use of bamboo sticks which will also feature more in future videos (you will soon discover why Jeny likes them!).

In fact the masseur uses the sticks on Jeny's legs and asks Jeny whether she likes them! She answers in the affirmative adding that she likes them! As anyone who is a fan of Jeny's will know, she likes to be spanked!

There comes a point when Jeny is asked to turn over on to her back and when she does her secret is revealed. She is wearing her small panties back to front and as they are so tiny they are pulled tight between her pussy lips.

So we get to enjoy Jeny's magnificent body as it is steadily covered in massage oil. I forgot to mention that while Jeny was still on her stomach, the guy seemed to have got the numerous hints that Jeny wouldn't be alarmed at him massaging her pussy and started to run his hands across her lips.

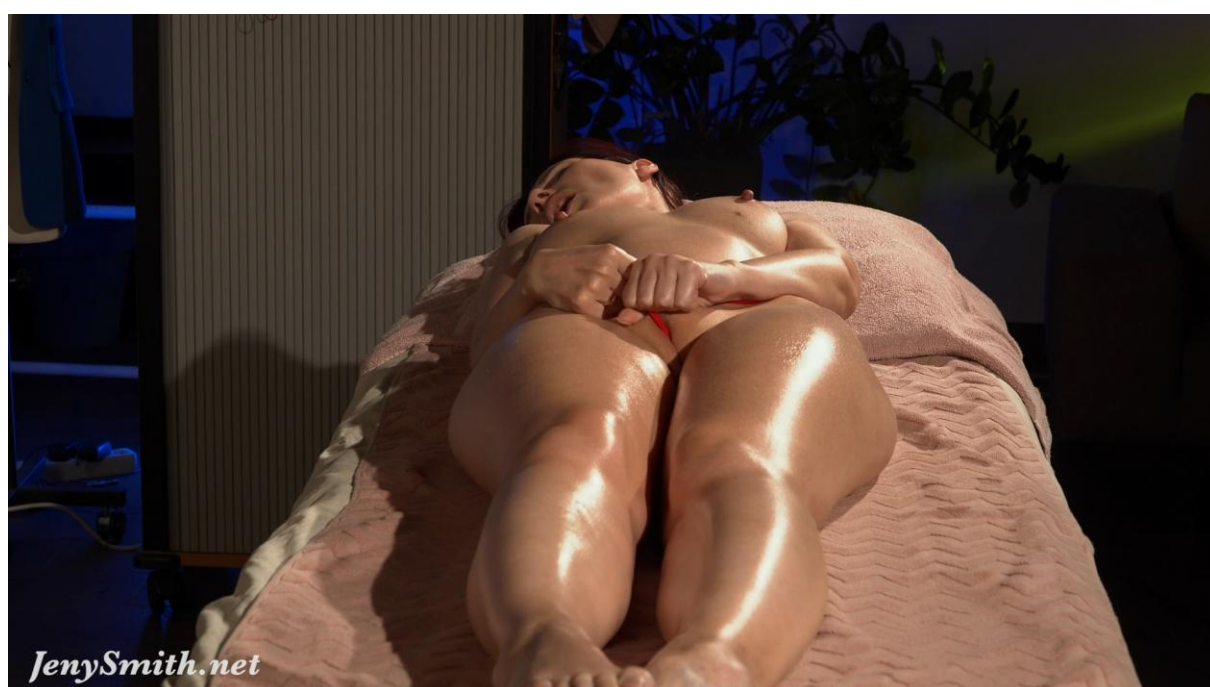

So back to Jeny and her almost naked body. Jeny's body which positively glows. The masseur has risen to the task and continues to arouse Jeny as she lies back, her legs wide apart, her breathing gets shallow as she gets closer to a climax.

But the masseur knows exactly how to take Jeny to the edge of cumming before cleverly bringing her back to square one.

With his hands brushing her panties every time he massages her upper thigh and then suddenly he stops, leaving Jeny to attempt to get to nirvana. She is so frustrated even as she pulls her panties ever tighter into her pussy until she turns on her side and drifts briefly off to sleep.

Jeny is furious with the masseur. Surely he must know that she wants to have an orgasm! She starts to plan her revenge. Jeny doesn't like to lose (although only she knows the rules of this game!).

Jeny needs to clear her head and so we watch her in the 3rd of her videos.

Review for video "Unsatisfied"

Tags: solo; Published: 8 February 2025

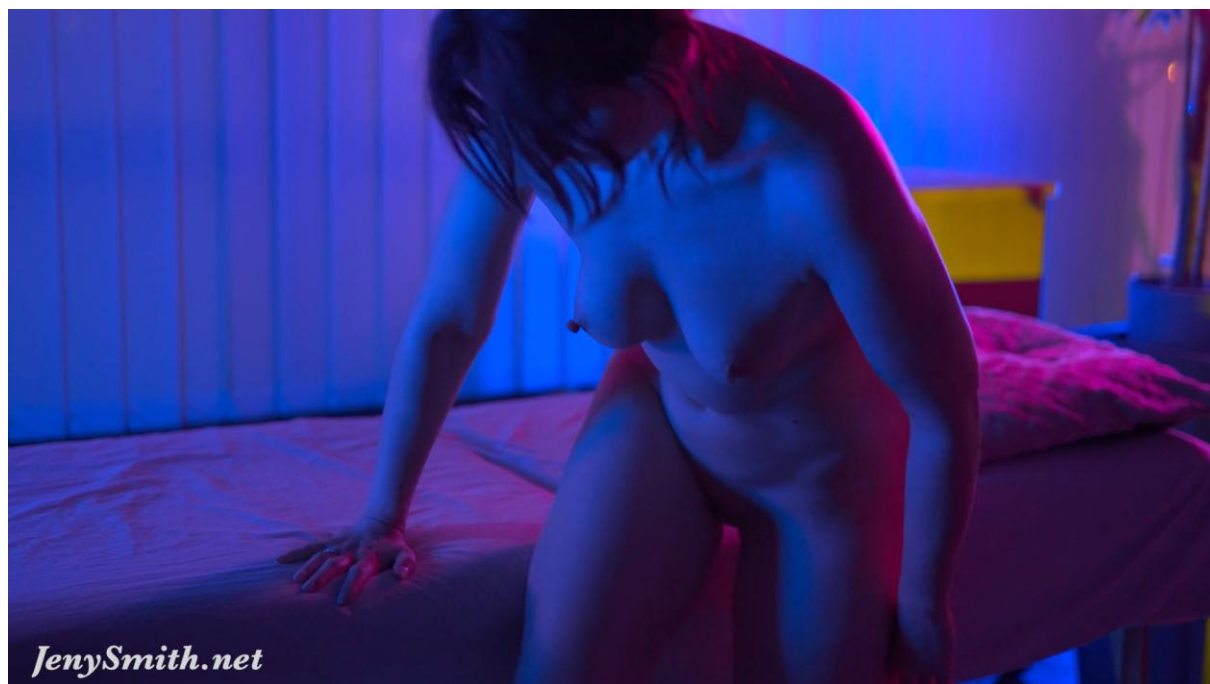

Running time; 11 mins

Jeny is alone and naked with lighting provided by the neon signs. She climbs on the bed firstly on her back before changing her mind ending up with her gorgeous butt up in the air and leaving her head resting on the bed. She starts to masturbate but something stops her until she slaps her pussy.

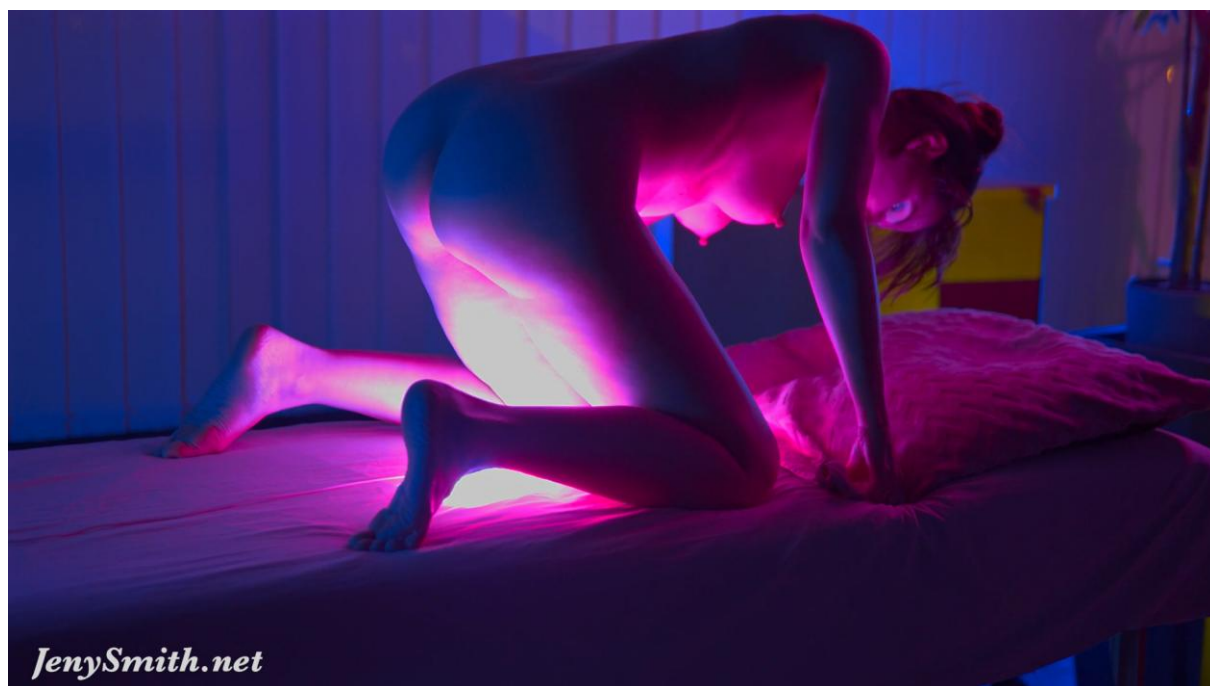

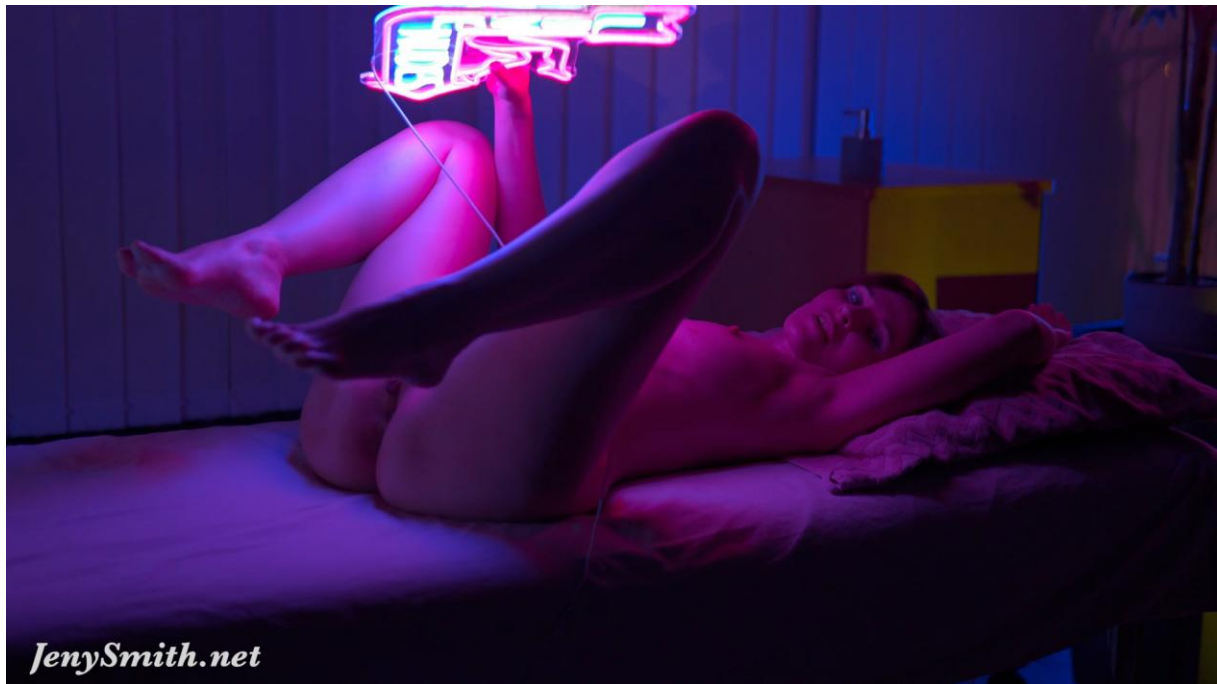

I will leave you briefly to copy a comment made by another member and I quote "I've not seen you be so forceful when masturbating as you were here, Jeny. The way you pinched your nipples and spanked your pussy really shows how Unsatisfied sexually you are by the massage guy who has turned you on so much when massaging you but has not (yet?) given you the climax you want" (thank you, IainB).

Although this video is not set up as one of the massage story it is a vital part of the mind games that have frustrated Jeny in her quest to force the masseur to make her climax.

So Jeny being such a complex lady feels the need to punish herself. This leads to another great video with the neon signs adding a BDSM feel to the scenario especially in the second half of this video.

So onwards to the next review. Jeny admitted that she made this “Unsatisfied” video after the events of the next video.

Review for video "Just Massage prt 3"

Subtitled "no panties"

Running time: 43 mins 56 secs

As before, Jeny is already on the table this time she is on her stomach and briefly she has a towel to cover her modesty. Who am I kidding! The towel has had its 15 mins of fame and is discarded. With Jeny being naked, the masseur wastes no time in stroking her beautiful pussy (my husband says that Jeny hasn't got enough pubes to class what's left as a landing strip it's just about enough to have a heli pad!).

This is probably the closest we will get to a normal massage. That is to start with anyway. Jeny is clearly enjoying the massage. But it does look like she is giving herself the time needed to hatch another plan.

The plan that Jeny is imagining must be hot as while the masseur is taking every chance he gets to touch Jeny's pussy, she is thinking how to get him to bring her to the climax she so richly deserves.

Her thoughts start to affect her body. At first it is her nipples that become hard and demand some attention and Jeny can't resist tweaking them, but as time passes and the massage becomes more intense her hand starts to glide down and across her stomach until it rests on her mons venus.

The massage continues as does Jeny's attempts to reach her clitoris. She is becoming more aroused and the masseur knows exactly what she wants so takes over where Jeny was, his hand now cups her lips and gently strokes her pussy which allows Jeny to give some relief to her erect nipples.

The masseur however doesn't allow Jeny to finally climax and once again leaves her to recover whilst he sits and watches her. Jeny is thwarted once again but she has a plan now which will finally end matters.

And so we move to the next day and review. (it's a hard job but someone has to do it!)

Review for video "Just Massage prt 4. A Plug"

Tags: [massage](#); Published: [22 February 2025](#)

Running time: 53 mins 39 secs

This is number 4 in the massage series, or number 5 if you include Unsatisfied (as you should do as it's linked directly to the saga).

Anyway it begins with Jeny laying on the bed, her fabulous body now completely naked, her legs spread wide and her perfect pussy is exposed.

But what's this the infamous towel is back and it's covering that gorgeous pussy. Maybe it's trying to keep something from us?

The masseur is back and in a matter of seconds the towel is brushed aside and her perfect pussy is exposed. And now something catches the light, something gem like in the shadows. Jeny's secret is about to be discovered! She looks up at the masseur and the smirk on her face betrays her as we too find out what is Jeny's secret weapon to get ahead in the race to her climax!

Yes, it's an anal plug and as the masseur spreads her fabulous butt cheeks we can see that the plug is capped by a gemstone. Our Jeny is nothing if not stylish, her class displayed so elegantly.

Jeny's body must be the sexiest that he is lucky enough to have the pleasure to rub oil into and he is finally getting her subliminal message that Jeny is not shy!

And onwards to the massage where the masseur is now openly stroking Jeny's perfect pussy her lips not only glistening from the oil but also from her own juices.

However the masseur clearly thinks Jeny's thighs should be spread even more and takes each leg in turn and dangles each leg over the side of the bed creating the most erotic pose possible. Jeny's wet pussy lips now fully exposed.

You can sense Jeny's excitement by seeing her stomach as she breathes faster. There follows the excitement of watching the masseur cupping Jeny's pussy and toying with the plug.

Even when she turns over and lays down on her stomach Jeny makes sure we can see her butt plug by spreading her legs as wide as she can. Jeny is clearly becoming more aroused.

As the masseur accelerates his motion this time he openly touches Jeny's pussy.

Suddenly she asks him to spank her with his hands. After two tepid slaps Jeny says "stronger" and straight away he slaps her butt to which Jeny is heard saying "amazing!"

It later turns out that with every thing that causes her plug to move in her ass just makes her wetter!

Now it is fascinating watching Jeny thrusting her hips up to meet the masseur's hands pressing down and her perfect pussy is now very aroused. Surely now Jeny will receive the prize that so far has eluded her.

Has Jeny aka The Queen of Tease met her match! The two of them (the masseur unwittingly at first) have dished up an appetiser for us to feast on leaving us with, hopefully, the finale. What lengths will Jeny go to? You can be the first to know if you are a member of jenysmith.net so watch this space.

Poka Poka - until we meet again.
